1. Approval of July Minutes

Minutes approved, Motion from Andrea
Motion approved by Annie

2. Action | Planning for Fall Spaces Event, Annie Wang

- Annie outlined the Voter Engagement event and presented the project plan to the committee
- Andrea gave background on the event and scope of the event
- We talked through partnerships after questions about partnerships and involvement was brought up by a committee member
- Margaret suggested that we add a volunteer column to the planning document to determine and delegate partnership outreach
- Stephanie asked about the action plan, if there is one and that we should create one so volunteers have information to present to partners while doing outreach.

Action: Stephanie will create the pitch for volunteers to use in contacting partners

- Annie and Andrea will email committee with a list of partners to reach out to and committee will choose who to contact by Tuesday, August 16
-

3. Discussion | Free the Deeds information, Rachel Boeke

- Presented information on Free the Deeds program, which LCC will be transitioning into working on in the near future.
- Information about the FTD September meeting
- Call for volunteers to help or table at the Free the Deeds event at the Parkway on Sept. 26

- Information about what the work will be and what volunteering with FTD will look like over the next few months
 - Contact information was provided for those interested.
-

4. Discussion | Mental Health Training opportunities, Lance Frederick

- Lance is trained in QPR, which stands for Question. Persuade. Refer and is a tool and training used for suicide prevention
- Lance offered to provide these trainings to the community at a low cost (free/ \$2). They are about 1.5 hours and participants get a certification at the end.
- There could also be opportunities for more in-depth mental health training available, should that be of interest.

Action: Annie/ Andrea will send a follow up email to Lance and they will best decide how to inform the community about this opportunity and organize with Lance as a way for community members to get engaged.

5. Adjournment
